## **SEPTEMBER REVIEW: (WHEW, WHAT A MONTH!)**

### **From Jim's Notes:**

The last weekend of September was something else, many activities to attend. These are the ones I went to. The All Car Club Picnic in Col. Park was hosted by the El Camino and Nova Club, so it was mostly Chevrolets including Corvairs. Our club had about three members show up.

Pasco celebrated its 80th birthday with a dinner and dance at the Red Lion. For decorations they used cars starting with 1912 and proceeding in ten year increments up to 1992. Nancy Westermeyer contributed her 22 Franklin and 62 T-Bird. I contributed my 72 Buick Rivera.

On Sunday, the 29th, was the Pasco Airshow and once again the Lawson's had a potluck, watch the air show, visit, hanger party. Complete with soft ice cream, popcorn, and rides in the Stanley Steamer. A very enjoyable afternoon, thanks very much Lawson's. Sharon tells me the Hanger Party is an annual event and should plan it that way, unless we hear different from her.

### **From Cork's Notes:**

Pendleton Tour, Sept. 28: Florence Haner and Loretta and Ed Smith led us to the underground and 2nd stories of old Pendleton. We had a delightful guide who explained the happenings and history of pre 1900 Eastern Oregon and Umatilla County. He also catered to the two youngsters in the group, making it enjoyable to them.

It was great to have a younger generation coming along in old cars. Mercedes and Gary brought Jeffery, and Lee Jackson and Loretta brought Ashley. Others in our party were the Nesbitts, Judy and Joe Smith (they have a Corvair in PA) and the Simmelinks. (7 cars total)

Other highlights of the tour were Pendleton Woolen Mills, Picnic in the park, antique shops, driving tour of old homes, dead battery (Jackson), a bumpy old U.S. 30 road to Echo, OR, ending with an ice cream stop in Standfield. Thanks, Florence, Loretta and Ed for an enjoyable day.

Connell Parade, Sept. 28: Edited report . . . Martha and Vernal Shreve went to Connell. Martha drove the 25 Hupmobile up and back. Vernal transported by various methods, the Model T/Calliope, the Model A "tractor", and a buggy without horses.

He was disappointed when he was not chosen as Parade Marshall. "Wait until next year Vernal."
