## MOVIE NIGHT

November's activity is a dinner and movie night. This should be a very fun and interesting night. The dinner is a potluck, so bring a dish of your choosing. The club will supply some drinks and some pizza if needed. If you choose to make a dish such as a dessert could you bring the recipe. This way I will be able to put it in the newsletter. I often find at potluck that I like a dish but don't have the recipe and would like to make it at home. The date of the movie night is November 14th. You may start arriving around 5:45 and will be eating around 6:15. The location is at the Kings Point School and Westside Church of Christ, 7900 W. Court St. It is just west of Rd. 68 and on the corner of Court St and Rd .80.

After dinner there will be an official business meeting. After that there will be a movie related to cars in the past.

I hope to see all of you there.

Hi all,

We had a small but enthusiastic group turn out for the October 21, Saturday event. I assume the ladies had a good time at their tea. At least when the men returned from their garage tour, all of the ladies seemed to be enjoying themselves and doing a lot of visiting.

The men went out to lunch at the Red Brick Pizza Parlor. We even had an adventure getting there since some of us got separated on the way from Armstrong's place to the restaurant! After lunch we headed out to Bob Kenady's place in West Richland. Bob is a member of the local Model T Club but was willing to show off a couple of very nice cars. One, of course, was a Model T Roadster pickup with a custom wood bed made by Bob and the other was a Model A Coupe that was all restored aback to original factory specs. He also showed off his extensive auto license plate collection which were also restored. In addition Bob had some excellent samples of wooden antique cars that he had built himself over the years.

After Bob's place, we traveled to Willy Gould's garage near Benton City to see his "diamonds in the rough". These were 1920's era Jewetts and a similar vintage Chevrolet sedan. He also is working on a 1951 Chevrolet two door sedan which he is upgrading to more modern running gear.

It was then time to head back to pick up the ladies from their event and then head for home. The weather was perfect for the tour and those that went seemed to have a good time.

Our November event is an evening potluck supper and old movies night. This will be held at the Kingspoint Church and School on Court St., off of Road 68 in Pasco. We'll plan to eat about 6:15 and view some car related movies from the past. The date is Tuesday, November 14th. I appreciate Denny and Carla Jackson making the arrangements for the place even though Denney will have had major knee surgery about three weeks before this event. I hope he will be up to attending.

I trust that you have been enjoying our magnificent fall weather so far. Hope to see you out and about to the various club activities and events.

## Veterans Day Parade

The Veterans Day parade is Saturday, November 11th at 9:30 a.m. Staging will begin at 7:30 a.m. on Van Giesen between 62nd Street and Grosscup Road in West Richland. The Combat Vets are having a Chili Feed (by donation) during the closing Ceremony at Flat Top Park. I would like to see a lot of us participate in this event so I hope to see you there.

## HALLOWEEN COSTUME PARTY AND BINGO NIGHT HIGHLIGHTS

The night was nice, not extremely cold or windy. Only a few members attended this event. I am not sure whether it had to do with the location, the night or not being able to get on George Washington Way from Hwy 240 from Kennewick. Those who did come had a good time. There was plenty of chili and cinnamon rolls to go around with lots extra. Several members did come in costume and a few didn't.

After dinner of chili, crackers, cinnamon rolls and salad and cake and cookies the following received prizes for their costume: Martha got a prize for no one not knowing who she was (she entered alone, didn't sit with Vern), Lees daughter received a prize, she was dressed as a man, including a mustache, turning her into Lee's son and Lee's daughter's in-laws received a prize for coming coordinated.

When the prizes had been awarded, we started playing several games of lightning bingo. Lightning bingo is a game where the card has only 3 numbers on it, therefore the each game goes fast. There were several white elephants for prizes. There were two tables that had multiple winners. Once the white elephant prizes were gone we used the extra containers of cinnamon rolls for prizes. Everyone who attended this event had a great time.

## NOMINATIONS ARE COMING

The end of the year is coming and it will be time to elect new officers for the 2007 year. Can you believe that this year is almost over? There is a nominating committee. They have met and have a few names to call. If you are called and asked if you would like to be an officer please consider taking the job. Most of the positions are not real time consuming. Look for the potential new officers in the December newsletter.

## Ladies Tea Highlights

Mary Fraser, Rachel Gould, Donna Shreve, Martha Shreve, and Ginger Vetrano attended Tea at the home of Jane Armstrong on October 21, 2006. Everyone brought tea goodies to share and the menu could not have been better balanced if it had been planned. Ginger and Donna brought trays of fancy sandwiches, Mary brought a fruit salad and lemon curd for the scones, Rachel brought scones and Martha and Ginger brought desserts. Jane provided 3 kinds of tea and scones with lemon curd. You can't have too much lemon curd, it is wonderful.

The table was set with a vintage white linen cloth and the turn of the century dishes were cream and white decorated with gold. Gold chargers and vintage glassware completed the 20's look.

Everyone dressed up and wore hats. Donna even wore gloves. Jane wore a vintage 20's lingerie dress decorated with lots of pin tucks and embroidery. Mary wore a beautiful lavender dress beaded with silver beads from the 20's.

We had a good time visiting and eating and looking at the beautiful Yakima River decked out with fall leaves of gold and rust.

## ADDRESS CHANGES

## MESSAGE FROM THE EDITOR

I would like to say that my error in last month's newsletter was to see if the newsletter was getting read. In reality, it was my mistake. I forgot to change "page 7" to "page 3". I would also like to request that if you have something interesting that others might like to read or know, or have something that I can use for filler that you either e-mail it to me or send it in the mail. I could almost always use filler of some sort.

Also, if you attend/participate in a club activity and I am not there, could you please take it upon yourself to write something up and then send it to me? Do to my schedule, I may not always be able to attend some of the functions. If I'm not able to attend, I try to find out who did and see if they could do a write up for me. If by chance I get several for the same event, I will try to combine them into one article.

Thank you for your help in this.

Cyndy
